A Woman's Dies every.

Another wonderful discovery has  
been made and that by a lady in

fetters upon her and for seven years  
she withheld its severest tests, but her  
vital organs were undermined and  
death seemed imminent. For  
three months she coughed incessantly  
and could not sleep. She bought  
of a bottle of Dr. King's New Dis  
covery for Consumption and was so  
much relieved on taking first dose  
that she slept all night and with one  
bottle has been miraculously cured.

Her name is Mrs. Luther Jones. Thus
